

# Does Your Back Ache?

If you are a woman and you have this symptom get Lydia E. Pinkham's Vegetable Compound without delay. Backache seems an invention of the evil one to try woman's souls. Only those who suffer this way can understand the wearing, ceaseless misery.

We ask all such women to read the following letter for proof that Mrs. Pinkham's medicine cures backache caused by woman's diseases.

Morton's Gap, Kentucky.—"I suffered two years with female disorders, my health was very bad and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sensations I could hardly bear it. I had soreness on each side, could not stand tight clothing, and was irregular. I was completely run down. On advice I took Lydia E. Pinkham's Vegetable Compound and Liver Pills and am enjoying good health. It is now more than two years and I have not had an ache or pain since. I do all my own work, washing and everything, and never have the backache any more. I think your medicine is grand and I praise it to all my neighbors. If you think my testimony will help others you may publish it."—Mrs. Ollie Woodall, Morton's Gap, Kentucky.

Lydia E. Pinkham's Vegetable Compound has made thousands of cures of such cases. You notice we say has cured thousands of cases. That means that we are telling you that it has done, not what we think it will do. We are stating facts, not guesses.

We challenge the world to name another remedy for woman's ills which has been so successful or received so many testimonials as has Lydia E. Pinkham's Vegetable Compound.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

## EASY TO ACQUIRE YOUTHFUL COMPLEXION

"It is so easy to acquire a smooth rosy, youthful complexion that no woman need despair," writes Mrs. Mae Martyn, beauty expert, in the New York Chronicle. "But in doing so, one must not use face powder, as it enters the pores—enlarges them, causes dull, sallow, rough complexion and eventually wrinkles."

"Much better than any face powder is an inexpensive lotion made by dissolving four ounces spumax in one-half pint hot water, then adding two teaspoonfuls glycerine. This lotion is a wonderful skin beautifier and when applied to a muddy, lifeless, sallow complexion will soften and whiten the skin and remove that shaly, rough or aged look."

"This lotion does not rub off easily like powder and it lends to the skin a charming tone of youthful freshness without giving that 'painted, powdered look.'"

Chicago, March 16.—The Black Hand society of Chicago is believed by the police who are working on the latest outrage in the north side Italian settlement to have played a ghastly joke on itself in the murder of Philip Maniscalco, who with Anthony Dugo, was assassinated Tuesday.

## REGULATES ANY BAD STOMACH

No Indigestion, Gas, Sourness or Dyspepsia Five Minutes Later.

If your meals don't fit comfortably, or you feel bloated after eating and you believe it is the food which fills you; if what little you eat lies like a lump of lead on your stomach; if there is difficulty in breathing after eating, eructations of sour, undigested food and acid, heartburn, brush of a belch, or gas, you can make up your mind that you need something to stop food fermentation and cure indigestion.

To make every bite of food you eat aid in the nourishment and strength of your body, you must rid your stomach of poisons, excessive acid, and stomach gas which sours your entire meal—interferes with digestion and causes so many sufferers of Dyspepsia, Sick Headache, Bloating, Constipation, Grindings, etc. You need a food which is not a stomach sufferer, though you may call it by some other name: your real and only trouble is that which you eat does not digest, and which ferments and sours, producing almost any unhealthy condition.

A case of Pape's Diapiesin will cost fifty cents at any Pharmacy here, and will convince any stomach sufferer five minutes after taking a single dose that Fermentation and Sour Stomach is causing the trouble. Indigestion, flatulence, gas, heartburn, and all other troubles of the stomach, nervousness or Gastritis, or by any other name—always remember that a certain cure you decide to begin its use.

Pape's Diapiesin will regulate any case of indigestion, sour stomach, flatulence, gas, heartburn, and all other troubles of the stomach, nervousness or Gastritis, or by any other name—always remember that a certain cure you decide to begin its use.

## Clergyman's Son Cured of Tuberculosis

To neglect a cold, bronchitis, lung trouble or Consumption is dangerous. We all know how prone people are to deny they have Consumption. It is a flattering disease, and the sufferer is filled with bright hopes of improvement. Call Consumption by its own dread name, and then take Eckman's Alternative because it is effective in Tuberculosis. No one need doubt about it—there is plenty of evidence to prove it. Investigate the following:

Gentlemen: "Prior to Feb. 1906, I was located in Rochester, N. Y., suffering with LaGrippe, which developed into Tuberculosis. My physician gave me only one month to live. I was having terrible night sweats and mid-day chills and losing flesh rapidly, having gained from 125 to 135 lbs. I coughed and raised continually and became so weak that walking a few feet exhausted me. On my return home, my regular physician gave me little encouragement. My father, who is a clergyman, heard of Eckman's Alternative and induced me to take it. The night sweats and chills disappeared, my cough became easier and gradually disappeared in a few days. I developed an appetite, the first in months. I am now in perfect health, back to 175 lbs. I feel certain that I owe my life to Eckman's Alternative."

(Signed) E. H. COWLES, Pastor, Presbyterian Church, Rochester, N. Y.

Gentlemen: "I cannot find words to express my appreciation of what your remedy has done for my son. It changed his life into hope within two weeks after he began taking it, and without any doubt in my mind, it saved his life. I wish to add my endorsement to every word of his testimonial."

(Signed) REV. J. J. COWLES, Pastor, Presbyterian Church, Rochester, N. Y.
